Just An Old Fashioned Love Song (RYL 1054) Hunter Keller

OPENER

Circle Left
Just an old fashioned love song
Playing on the radio
Boys Star Right inside once around
Left Allemande and Weave The Ring
You swear you've heard it before as it slowly rambles on
Swing your girl around and Promenade
Just an old fashioned love song
Coming down in three part harmony

FIGURE

Heads Square Thru count 'em 4 hands round
RIght and Left Thru and turn this girl
Veer left - Half Tag - Scoot Back and then
Boys Run Right and do a RIght and Left Thru
Square Thru but on your Third Hand - Slide Thru
Swing the corner lady round and Promenade
Just an old fashioned love song
Coming down in three part harmony

MIDDLE BREAK

Grand Square
To weave our dreams upon
And listen to each evening when the lights are low
To underscore our love affair with tenderness and feelings
That we've come to know
Allemande and Weave
You swear you've heard it before as it slowly rambles on and on
No need in bringing 'em back 'cause theyre never really gone
Just an old fashioned love song - One I'm sure they wrote for you and me
